Product Reference: DOW CORNING® 732 MULTI-PURPOSE SEALANT CLEAR

This document contains information regarding the above mentioned product and the current food regulation(s), and amendments, for the geographic regions referenced herein.

Food Contact Regulatory Information

Americas:

United States

21 CFR Section 177.2600: "Rubber articles intended for repeated use".

IMPORTANT INFORMATION:

It remains the responsibility of the food producer to determine the suitability of the Product for the end use and to ensure the legal and regulatory compliance of the Product as incorporated into foods.

It remains the responsibility of the manufacturer of the material/article which in its finished state is intended for Food Contact applications to determine the suitability of the Product for the end use and to ensure the legal and regulatory compliance of the Product as incorporated in the material/article intended for Food Contact applications.

This information is provided in good faith and is believed accurate as of the date of issue based on a review of current composition and information supplied by vendors. This information does not represent legal advice on any legislation or regulation referred to herein or otherwise. This information should not be used in substitution for customer's own tests and risk assessments to ensure that Dow Corning's products are fully satisfactory for your specific applications and compliant with all applicable laws and regulations.

Dow Corning makes no warranty either expressed or implied about the information, its accuracy or completeness. TO THE EXTENT PERMITTED BY THE APPLICABLE LAW, DOW CORNING DISCLAIMS ALL LIABILITY WHATSOEVER, HOWSOEVER ARISING FROM OR IN CONNECTION WITH THE INFORMATION INCLUDING ANY LIABILITY FOR INCIDENTAL, INDIRECT, CONSEQUENTIAL AND SPECIAL DAMAGES.
